

## Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

Read more about Early Journal Content at <http://about.jstor.org/participate-jstor/individuals/early-journal-content>.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact [support@jstor.org](mailto:support@jstor.org).

## INDEX OF NAMES

ABBREVIATIONS.—In the Index the following abbreviations have been used: *pap.*, principal paper by the person named; *b.*, review of book of which the person named is the author; *r.*, review by the person named.

- Abbott, A. C., 321  
 Abbott, L., 321  
 Acton, Lord, 767, 768  
 Acworth, W. M., 762  
 Adams, B. B., 773  
 Adams, H. C., 129, 130  
 Adams, J. Q., 567  
 Adams, S. H., 300, 321  
 Addams, Jane, 321, 543  
 Adler, F., 321  
 Agramonte, A., 409  
 Alexander the Great, 759  
 Allen, W. H., 247-256, *pap.*, 321  
 Alston, L., 543, *b.*  
 Alvarez, A., 223, *b.*, 602-608, *pap.*  
 Alvarez, Sr., 596  
 Alvarez, T., 596  
 Ames, H. V., 569, *r.*  
 Ancizar, Sr., 597  
 Anderson, Miss A. M., 773  
 Andrews, H. E., 128  
 Andrews, J. De. W., 561, *b.*  
 Angell, J. B., 321  
 Angell, N., 766, *b.*  
 Aristotle, 764  
 Arnell, C. J., 741  
 Arnold, B. J., 3-13, *pap.*, 127  
 Ashburn, P. M., 410  
 Avellaneda, 723  
 Avery, S. P., 577  
 Ayres, L. P., 494-504, *pap.*
